Fourth Annual Toys
For Tots Show

President's Message

THANK YOU, THANK YOU for a great and wonderful year. I want to Thank each and everyone for all your help. We had a very busy and Eventful year. We have one of the strongest Car Clubs in town, and it's because of all of us working and having fun together. Thanks again!!

Our Event for January was the Turlock Swap Meet. My son, grandson and myself were there and we seen several Club members buying up all those Pontiac goodies. The Turlock Swap Meet is always a fun day.

Jan 31 & Feb 1 was the Tustin POCI Car Show at the Tustin Pontiac Dealership. Gayle Huls, Greg Griggs, Brian Massey and myself went to this Car Show. We did have a little car trouble on the way there. Greg's 67 GTO's top radiator hose came off by Tulare. But, we got it fixed and made it without any other problems. The 4 of us attended a meeting held by the Long Beach Pontiac Club. We were picking their brains to get ideas on how they were structuring their Car Show to help us out for our Western Region Car Show in 2005. The Tustin Car Show had over 100 cars. It was a lot of fun and a beautiful day.

In February, Sam Fisher started sending our newsletter by email or by regular mail. Thanks Sam!! Feb. 8, Brian & Janet Massey hosted a Valentine mystery Cruise. We departed from Krispy Kreme and toured north on hwy 41 to hwy 145, then stopped in Raymond. We ended up at the Mountain House Restaurant, just above Oakhurst. Everyone had a great lunch. Sam Fisher had a little water leak, but Brian had his trailer there and took home Sam's car on it. Thanks Brian & Janet for a fun day!!

March 1, the Club attended the 1st annual Blossom Day Car Show at Lovegren's Pontiac Dealership in Sanger. We had a great showing of our cars. This is when we seen Tim Saltzman demonstrate how he keeps his wheels so clean. Keep up the good work Judy.

The Event will be at the beautiful Pines Resort at Bass Lake. It will be held September 30 thru October 2, 2005. This will be one of the largest Events we have ever put on.

Boys for Tot's Car Show

In support of our United States Marine Corps!

It was a success by any standard, including "wet" standards! The 4th annual Pontiacs of Central California Toys for Tot's Car Show came off just under the first good rain of the year. The show started at 11am, and was to run until 3pm. When it drizzled slightly at 12:15pm, Ron Berglund (Club President) asked if we could move the awards up from 2pm to 1pm. We started to count votes as quick as we could, and were blessed with no ties to go break! Awards started at 1:20pm. The rain held off until we were done!!! All went home with few rain drops on their classics, and with the feeling that they really helped with a good cause. We were even entertained by Andy Ness; AKA "Elvis". Andy graciously donated his time and talent to this great cause, and we are very thankful to him!

This year we added a Best of Show; Marines Choice Award . . . And the winner is.....Andy Hoff!

for the help!!

December 20: Ron & Marlene Berglund will host the annual Christmas party at their home. I am sure you won't have a problem finding our place as it will be well lit up as always. Looking forward to having you over.

Again, Thank you for your support. We had a wonderful year and I am very proud to be a member of the Pontiac's of Central California Car Club. I hope you enjoyed my stories of my car life. Let's give Andy Hoff and his Officers all the support that you gave me.

President, Ron Berglund

Be careful what you say!!

A man left work one Friday afternoon. But instead of going home, he stayed out the entire weekend with the boys, modifying their Pontiacs and spending his entire paycheck.

When he finally appeared at home on Sunday night, he was confronted by his very angry wife and was barraged for nearly two hours with a tirade about his actions. Finally his wife stopped the nagging and simply said to him "How would you like it if you didn't see me for 2 or 3 days?" To which he replied, "That would be fine with me."

Monday went by and he didn't see his wife. Tuesday and Wednesday came and went and he didn't see her. On Thursday, the swelling went down just enough where he could see her a little out of the corner of his left eye.

Pontiacs of Central California (POCC) is a club for owners and lovers of Pontiacs. The club members range from young guys and gals to old guys, who own all types of Pontiacs from the Muscle to the Luxury cars. A few members don't even own Pontiacs, they simply like them. Club dues are \$24 per calendar year or \$2.00 per month for the remainder of any calendar year. Members must also join the Pontiac/Oakland Club International (POCI). POCI dues are \$25 per year and includes a subscription to the POCI monthly magazine - "Smoke Signals". The magazine alone is worth the \$25. It's full of interesting Pontiac stories, tips on doing Pontiac things, as well as free advertising for members. Since this magazine goes out world wide, it is a great place to find parts or that special Pontiac you have been searching for.
